The screenshot displays the Qwikmenu.com website interface. At the top, there is a navigation bar with the logo, 'Login', 'Signup', 'My order', and 'Start a restaurant' links, along with social media icons for Google and Twitter. Below this is a search bar with the text 'Find restaurants' and input fields for 'Street address / Zip code', 'Within 10 miles', and 'Select cuisine', followed by 'Search' and 'Clear' buttons. The main content area features a message: 'Restaurant created successfully. You are a click away from your own online shop.' Below this message are two side-by-side screenshots. The left screenshot, labeled 'Restaurant Front', shows a restaurant's online storefront with a red and white checkered background, the Qwikmenu logo, and a menu section with 'South Indian' selected. The right screenshot, labeled 'Admin login', shows the 'OpenCart | ADMINISTRATION' interface with a 'Settings' page open, displaying fields for 'Store Name', 'Store URL', 'Store Owner', and 'Address'.

**Congratulations! You have successfully signed up your Restaurant to offer on-line ordering thru the Qwikmenu Website.**
